

## Mission #1

# Patterns of existence

**You get a 10k tax bill you didn't expect**

Feel...

Do...

Think...

**You receive a 50k inheritance**

Feel...

Do...

Think...

**Your insurer finds a loop hole, you're out 30k**

Feel...

Do...

Think...

**You get a 5k tax refund**

Feel...

Do...

Think...

**Your power bill goes up 100% in one month**

Feel...

Do...

Think...

**You get a 20k pay rise**

Feel...

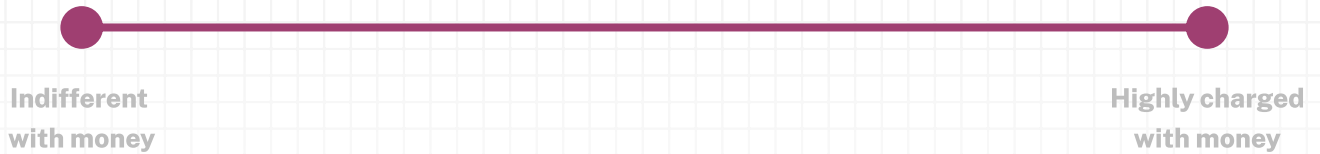

Do...

Think...

## Mission #1

# Patterns of existence

Where would you put yourself on this scale?

If you had to describe your relationship to money in one sentence or less, how would you do so?

If money was a person, how would you describe your relationship?
